

Invitation to the Democracy Workshop 2023

What is your vision for a diverse and democratic Pankow 2024? We invite you to this year's Democracy Workshop to work with you and many others to develop your projects for funding under the Pankow Partnerships for Democracy in 2024. Funds from the federal programme "Democracy Live!" are available for this purpose.

When & where?

Thursday 23. 11. 2023

4–8 p. m. | Pfefferberg Haus 13 | Schönhauser Allee 176, 10119 Berlin

In the coming year, we would like to give priority to projects that focus on anti-Semitism, criticism of racism and civil courage as well as racism against Siti*zze and Roma*nja, intersectionality and the dismantling of barriers. We also invite you to take a closer look at Weißensee and Heinersdorf, Buch and Karow, Französisch Buchholz and the Mühlenkiez.

Based on the above topics, choices and other possible challenges, your project ideas for a more democratic and discrimination-sensitive Pankow 2024 are in demand. Gather exciting information at the Democracy Workshop and discuss local challenges and opportunities for engagement!

As always, we are looking forward to new faces! In the spring of 2024, we will decide together at the project plenary meeting which projects will be funded.

The venue has barrier-free access.

Important: Participation in the Democracy Workshop is a prerequisite for potential funding of your project next year.

Registration (until 20. 11. 2023): moskito@pfefferwerk.de

Do you need childcare or do you need translation? Please contact us by 06. 11. 2023.
